

Hypertension 2020

Primary Care CME Days

Vancouver | Ottawa
#HypertensionMonth

Welcome

Hypertension is currently the leading preventable cause of death and disability around the world.

Hypertension Canada celebrates Hypertension Awareness Month with a number of initiatives to raise awareness on this issue and promote better hypertension prevention and control. We are pleased to invite you to our Accredited Primary Care CME Day program, **Hypertension 2020: Putting the Guidelines into Practice**. This program is presented in Vancouver and Ottawa on Saturday, May 12th 2018. The Primary Care CME Day will be of special interest to General Practitioners, Specialists, Pharmacists, Nurses and Nurse Practitioners.

We look forward to welcoming you to one of our Primary Care CME Day Programs!
