

Hello,

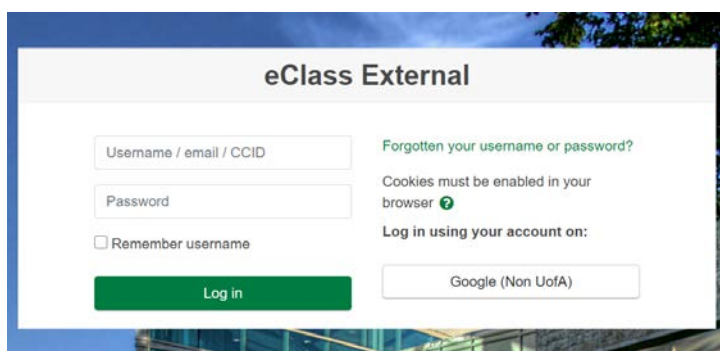

Thank you for registering for the Hypertension Canada Professional Certification Program Level 2.

The program is being delivered using the University of Alberta's eClass eLearning platform which you have been using for Level 1 of the course. To access the Level 2 of the program, you will need self-enrol in the course using your previously created eClass account.

Follow these steps to get access to the course.

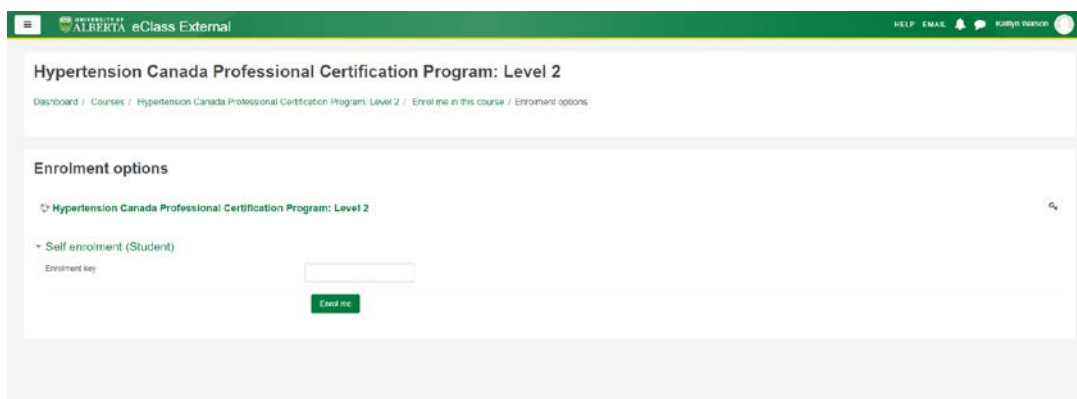

Creating An eClass Account

1. Follow this link: <https://eclass-cpd.srv.ualberta.ca/course/view.php?id=805>
2. This will take you to a page where you will need to login into your eClass account, please use the same account as you had for Level 1. If you have forgotten your password, please click the green "forgotten your username or password?" on the right side.

Enrolling in the Course

3. Once you have logged in to your account you will be taken to a page that asks for your self-enrolment key. If you don't see this page, then click on the link from step one (above) and it will appear.

4. You will be asked to enter your Self enrolment key.

Your self-enrolment key is: tpgEQW@

5. Use the link from step one each time you want to revisit the course. You will now have access to the course.
