

Canadian Hypertension Congress: Call for Abstracts

Hypertension Canada invites you to submit an Abstract for Presentation at the 2025 virtual Canadian Hypertension Congress (CHC). The committee will be accepting submissions of abstracts for inclusion in our Basic Science and Primary Care/Clinical Science presentations. Abstracts that are accepted will be invited to give either an oral or poster presentation to be delivered virtually at the congress, taking place May 29-30, 2025.

The deadline for submission is March 24, 2025 at 11:59 pm EST. Virtual presentations will be published in the conference proceedings and available on the Hypertension Canada website.

Informed and driven by our scientific and primary care communities, the Canadian Hypertension Congress (CHC) integrates basic science, population health, and clinical knowledge in hypertension with the most-requested topics in hypertension and adjacent conditions for whole-patient care, including cardiovascular disease, diabetes, thresholds & targets, kidney disease, and obesity.

The Canadian Hypertension Congress (CHC) is the only scientific meeting designed specifically to enable the development and exchange of evidence-based information on hypertension and related conditions for improved patient outcomes. Emphasis on the difficulties and strategies in virtual care and management of hypertension during the global pandemic will be explored.

We look forward to receiving proposals in response to the call and are happy to respond to inquiries from interested parties.

Abstract Submission Guidelines:

- **Abstract Title:** Please choose a brief title that clearly indicates the content for contribution.
- **Authorship:** Name, highest educational degree obtained, institution affiliation and email address. Presenting author must be listed as the first author.
- **Co-authors:** Names, highest educational degree, institution/business affiliation.
- **Delivery preference:** Indicate your preference to present your abstract in either a 15-minute oral presentation or a poster presentation.
- **Abstract:** Please ensure your abstract contains a maximum of 300 words and one figure or table if applicable. Abstracts must be submitted with the following sections:
 - Objectives

- Methods
 - Results
 - Conclusions
- Do you wish to be considered for a trainee presentation award (yes/no)?
- If you wish to be considered for a trainee presentation award please indicate your current training status (i.e. undergraduate, MSc, PhD, PDF resident etc.)

Please submit abstracts to info@hypertension.ca.
